The good news of the day was the the water was a comfortable 74 degrees and only one person had a jelly fish encounter. The bad news of the day is that Jimmy Griffin announced that this was the last Aquathlon due to there being so many conflicting events now.

The other Buckroe Beach Open Water swims will continue to take place. Please come back and support these events as Jimmy and his crew do an awesome job of putting together some fun and relaxed events.

Thanks goes to Jimmy Griffin and the Hampton Parks and Recreation for putting these events on.
